SCHEDULE OF SERVICES

Schedule of Basic Charges

One Way Trips

The base rate for a one way, non-hourly ride is provided in the following pages of this rate book. Establish your pick up and drop off zones and then use the accompanying charts to calculate your fare.

Round Trips

The rate for round trips within the five New York City boroughs is equal to the full one way flat rate in each direction. For a round trip to and from a location outside New York City, the rate is equal to the full fare to the out of town location and ½ the rate for the returning trip.

Stops

An accompanying or additional passenger exiting or entering the car at a location other than the final destination is considered a stop. The following rate apply:

- Stops in route in Manhattan \$10.00
- Stops not in route in Manhattan Full rate zone to zone
- Stops in boroughs outside Manhattan \$20.00
(in the same zone)
- Stops in boroughs outside Manhattan Full rate zone to zone
(in all other zones)
- Stops in out of town locations Will be priced by Arrow

Waiting Time

Waiting time begins at the reserved pick-up time. The following charges apply:

- \$48/hr and is billed in 5 minute increments
- 5 minutes grace period for Reservations
- 15 minutes grace period for live calls (on demand calls)
- 30 minutes grace period for Airport Picks Ups

Out of Town Pick-up

Additional fees apply to rides originating in the following areas:

- \$10.00 for rides originating in Staten Island or Rockaway Peninsula
- \$15.00 for rides originating in other locations outside New York City

Package Delivery

And additional fee of \$12.00 applies to package deliveries.

Schedule of Basic Charges

Time Calls

If your trip requires a dedicated chauffeur to wait and make numerous stops in Manhattan, Time calls are a cost-effective option. Rates are available for rides on an hourly basis (Time Calls). Time calls are \$50.00 per hour for rides staying in Manhattan. Time Calls are a minimum of 2 hours.

In the event that the rate of a ride in Manhattan, including all stops and waiting time, is calculated to be higher than that of the minimum price of the Time Call, this higher rate will be applicable.

Please specify that you are requesting a Time Call at the time of reservation.

Airport Pick-up Service

Tri-State area airport rates to and from Manhattan are as follows:

- La Guardia \$50.00
- J.F.K \$67.00
- Newark \$73.00

Arrow will monitor flight status. However, we request that you keep us informed of any changes in your flight schedule before your departure. It is essential that you advise us of any flight or airline changes so that we may modify your reservations and monitor the correct flight. Although Arrow checks for flight delays, if a flight schedule changes for any reason after your car is dispatched and on its way to the airport, waiting time will still apply.

Fuel Surcharge

A 5% Fuel Surcharge will be imposed on rides if in the previous month, the average cost per gallon of regular, unleaded fuel, as reported by the Department of Energy*, exceeded \$2.99 per gallon. If the fuel surcharge is applicable, it will be applied on the ride total (excluding taxes, parking, and tolls). The surcharge amount will appear on the STC column on your invoice.

Cancellation and No Show Policy

Cancellation

A reservation may be canceled without additional charge if canceled before:

- 20 minutes of a scheduled pick-up in Manhattan
- 1 hour of a scheduled pick-up in Queens, Brooklyn, Bronx, or any of the 3 major tri-state area airports
- 2 hours of a scheduled pick-up in Staten Island
- 2 hours of a scheduled pick-up outside New York City, depending on pick-up town

If a cancellation is not made within the timeframe above, a "No Show" charge will be applied. The customer shall be responsible for receiving a cancellation number from the operator as proof of cancellation.

No Show Policy

No Show charges apply when a driver is not able to make contact with the customer or if a scheduled reservation is not canceled within the appropriate cancellation period.

- Manhattan \$15.00 + 30 min WT
- Boroughs outside Manhattan \$25.00 + 30 min WT
- La Guardia \$25.00 + parking, tolls
- J.F.K \$30.00 + parking, tolls
- Out of town, incl. Newark Full fare + parking, tolls

To avoid No Show charges resulting from drivers and customers failing to make contact, the customer must notify Arrow if, for any reason, the customer can not find the driver. Arrow is in contact with all drivers and can locate your driver at any time. Your cooperation is needed and appreciated to help minimize unnecessary No Show charges.

A 20% gratuity for the driver will be automatically added to the flat rate and any waiting time.

**** All trips do not include tolls, parking, 2% Workers Compensation Tax, and 8.875% NYS Sales Tax (subject to change), and a \$3.00 administrative fee for every voucher.**

The "Fund"

On May 25, 1999 Governor Pataki signed into law Chapter 49 of the Laws of 1999 establishing the New York black Car Operators' Injury Compensation Fund, Inc. (the "Fund").

Chapter 49 requires all black car and limousine dispatch bases providing service in New York State to separately charge, collect and remit to the Fund a surcharge of 2% on the gross billings for services provided. The proceeds of this surcharge is administered by the Fund to secure payment of workers compensation for claims made by black car and limousine operators who are injured while providing service. As a result, invoices are required to include this surcharge as of 10/1/99.
